

# JORDAN MEYER

71 7th Avenue #5, Brooklyn, NY 11217 (510) 710-0199 [JordanBMeyer@gmail.com](mailto:JordanBMeyer@gmail.com)

## EDUCATION:

University of California, Berkeley  
Bachelor of Arts in Physics, May 2005

## WORK & LEADERSHIP EXPERIENCE:

### **L.E.K. STRATEGY CONSULTING: Senior Associate Consultant (Sept 2005 – Present)**

- Work independently and in small teams to solve a wide range of difficult analytical problems
- Projects have included strategic planning, due diligence, performance analysis, mergers and acquisitions support, cost reduction analysis, and company valuation
- Perform primary and secondary research, analyze data using Microsoft Excel, and prepare presentations of organized information for client review
- Worked closely with CEO and CFO of a music publishing organization to develop a detailed valuation model of the company under current operations and under proposed new strategies
- Conducted customer interview campaigns and analyzed proprietary transaction data to review the performance of a major retail chain and recommended ways to mitigate customer attrition
- Aided in the identification of initiatives that uncovered over \$1 billion in revenue potential for the country's largest nonprofit healthcare institution

### **LAWRENCE BERKELEY NATIONAL LABORATORY: Research Assistant for Kamland Weak Interactions Group (2003 – 2005)**

- Worked with a team of researchers on the Kamioka Liquid Scintillator Anti-Neutrino Detector (<http://kamland.lbl.gov>), which attempts to answer key questions concerning neutrino oscillation by studying the flux and energy spectra produced by reactor neutrinos
- Successfully designed, assembled and tested devices used for detector calibration initiative
- Completed honors thesis by analyzing data for the MuCAP muon capture experiment

### **CALIFORNIA ALUMNI ASSOCIATION: Music Director and Assistant Manager for the Lair of the Golden Bear Family Camp (Summers: 2002 – 2005)**

- Organized 25 staffers and 200 campers for a variety of activities, including musical performances and talent shows
- Conceptualized and created biweekly shows for the campers, and trained staff to operate light and sound boards
- Stood in as manager periodically, which entailed maintaining camper relations, communicating with head office, managing staff activities, and overseeing the general safety and wellbeing of both campers and staff
- Worked closely with social workers from Adopt a Special Kid (AASK) to lead a group of adopted children with special needs during a week-long joint program

### **UC BERKELEY MEN'S OCTET: Manager (2002 – 2004)**

- Collaborated as a member and music manager of a nationally recognized a cappella group, rehearsing and performing for between 12 and 20 hours a week, for audiences of up to 50,000
- Organized rehearsals, taught musical arrangements, and made sure the group was ready for appearances and shows
- Worked for long hours in extremely close contact with other members of the group to ensure the quality, humor, and originality of our performances

## ACTIVITIES AND INTERESTS:

**UC Berkeley Campus Tutor:** Tutoring in the subjects of Chemistry, Math, and Physics

**Positions:** Social Chair of L.E.K. New York, Assistant event manager for the Jazz Foundation of America

**Interests:** Guitar, Singing, Recording, Photography, Cooking, Traveling, Cycling

## HONORS:

California Alumni Association Schmitz Award, Graduated with Departmental Honors

## TECHNICAL SKILLS:

**Computer Skills:** Microsoft Excel, Access, Powerpoint and Word, Adobe Photoshop, Logic Pro 7, basic programming knowledge
